- Gold plated contacts provide superior conductivity for low and high speed devices

Description

Tripp Lite's 6-ft. Adjustable "A" Male connector USB A/A extension cable is designed to extend the length of an existing USB cable. Adjustable angle connector allows the cable to exit at any angle...perfect where space is limited. This high quality cable delivers the performance and reliability you expect from a USB cable. The cable features gold plated contacts for superior conductivity. It is manufactured with molded connectors which include integral strain relief to ensure durability. Double shielding provides maximum EMI/RFI protection. Tripp Lite warrants this product to be free from defects in materials and workmanship for life.

Applications

- Connection to a USB port where space constraints necessitate a 90 degree cable exit, in any direction
