

SCRUBS in-a-Bucket® Hand Cleaner Towels

*The revolutionary premoistened
hand-cleaner towel that
goes where you go!*

Whether you're in the shop, on the assembly line, or out in the field SCRUBS in-a-Bucket® Hand Cleaner Towels are ready to use for your hard working hands.

Many workers wipe their hands up to 100 times a day without actually cleaning them. The SCRUBS® citrus-based formula combined with an absorbent, non-scratching towel will loosen, dissolve, and absorb soils from your hands. SCRUBS® will not re-transfer soils back onto your skin, and will leave your hands conditioned and protected while you clean.

Powerful, yet safe, citrus-based formula works together with an absorbent, non-scratching abrasive hand cleaner towel

SCRUBS® do not re-transfer soils back onto the skin

Works fast to loosen, dissolve and absorb dirt, grease and grime

Antibacterial... containing germ-fighting Triclosan

SCRUBS in-a-Bucket® Benefits:

- Portable and convenient
- One-step cleaning process
- Conditions and softens hands
